Ewuradwoa Nketia- BSC. University of Texas- USA- ICC Alumina (Class of 2023)

“Completing ICC in 2023 was one of the most defining parts of my journey. Working with students from diverse backgrounds challenged and refined me, but it was ICC’s strong moral grounding, academic excellence, and consistent discipline that helped me stand out. The small class sizes gave me the support I needed to excel—earning the best A Level results in Cambridge that year. ICC gave me a solid foundation for life.”
